

Do you love math?

Renaissance Kids, Inc. is pleased to announce the fifteenth year of our exciting 8th /9th grade geometry class for students who have completed our Fall I.S.E.E. course. This class, which begins January 12, 2015 will continue through May 1, 2015 and is called:

PATHWAY TO GEOMETRY :

It is a multi-faceted geometry course focusing on three objectives for your child:

- **Making certain your child has a strong foundation of geometry.**
- Getting a **head start** on the geometry curriculum.
- Most importantly providing your child with a **strong conceptual framework and appreciation of mathematics.**

We are offering this course on Mondays through Thursdays 6-7 P.M.

Fee: \$1095
